

BE GREAT

Build Great Digital Products

THE JOB: .NET DEVELOPER

We're growing and need more developers to work on our client's projects, including IoT, desktop, mobile, VR and AR.

Send us your resume if you have:

- Experience with .NET programming (prefer C#).
- Experience in web development using JavaScript, HTML5 and CSS.
- Strong SQL skills and experience with relational database design.
- Experience in analysis, requirements development, creation, implementation and ongoing maintenance in an Agile environment.
- At least two years of programming experience.

This is a full-time position based in Dublin, OH. No remotes, please.

Please don't apply if you cannot document that you have at least two years of work availability in the USA.

THE PERKS

- An excellent vacation and flex time policy.
- The chance to work on a project from whiteboard to implementation.
- Health, dental, vision and retirement benefits.
- No drama, stable company.
- EOE compliant, established employer in Dublin, OH.
- The best learning environment in town.

THE NEXT STEP

Send your resume in PDF format, along with salary requirements and a link to a GitHub, BitBucket, or other developer account/profile.
